March 2011

Dear Fellow SON District 3 Members,

Enclosed please find a copy of the District 3 Youth Camp application. Please copy the application and distribute to your lodge membership.

An active cultural camp program is being planned with adult supervision at all times. 1 camp is held at the Third District property Land of the Vikings (LOV) in Sherman, PA. T LOV managers, Bev and Rick Budrick, have planned a pleasing menu for the campers. I would be amazed to see what is consumed!

Campers will attend morning classes for Norwegian language, rosemaling, wood work hardanger and other skills. During the afternoon the campers can swim, hike, participate in a variety of athletic activities, fish, do crafts, cook and learn about our Viking heritage to name a few of the activities. The evening brings an opportunity to form lasting friendships with a talent show, films, folk dancing, games and much more.

Campers find their week at LOV vanishes in a flash. It is one of the highlights of their year. Encourage your youth to build memories with us.

*******IMPORTANT*******

If you need directions to LOV or if you find it difficult to transport your child to and from camp, send a request with your application and a map. A list of campers in your area will be included with your medical forms. Remember it is YOUR RESPONSIBILITY to provide transportation. Do not call camp and expect us to set up a ride for your child.
