

Submission of Pictures for the Viking

The Viking staff prepares the monthly issue well in advance of the publication date. There is a lag time of 2 ½ months for publication submission e.g., pictures for the June issue of the Viking must be submitted by the previous March 15th.

All pictures must be submitted to the Third District Publicity Director at publicity@sofn3d.org.

Be mindful of the composition of your picture (e.g., red eye, too bright, too dark, extraneous items in the picture)

Email is preferred but regular mail is acceptable.

Remember - when submitting pictures for the Viking, please send them via email to publicity@sofn3d.org. Digital photos at a very large scale, with low pixel resolution are acceptable for use in *Viking* (e.g. 21" X 28" at 72 dpi). Smaller scale photos with higher pixel resolution can also be submitted (e.g. 3" X 5" at 300 dpi). Photos taken and saved at a small size with small resolution are not useable (e.g. 3" X 5" at 72 dpi)
